

33 BACKWARDS

Speak now, and do it slowly.
Let me see the way your mouth moves as you speak.
I'll watch you ever so intently,
lest you meant to forget what you mean.

then you say to me:

33 backwards is all that you can see.
if you have no idea of what you're saying,
then how can i know exactly what you mean?

So, speak slowly as your mind flows freely.
but stop me if my head's showing what my heart's feeling.
Be with me in any form you choose:
Be my saviour, be my lover, be my muse.

then you say to me:

33 backwards is all that you can see.
if you have no idea of what you're saying,
then how can i know exactly what you mean?

So take me down, away from the sound
of walking gals and accessory men
and those who rust our earth.
take me away, from this place
if all the people we've never met
are just dying for their re-birth...
