

NOT NOW, NATHANIEL

Not now, Nathaniel.

I don't have time to talk about
how much he stirs up in me.
I'm with another who deserves all I can give
and all that I can be,
So not now, Nathaniel.

^ Give it a few years
if it comes full circle then it's true.
But if it's never meant to be
you both will never see this through. ^

Not now, Nathaniel.

I have no time for your persistent
thought processes that engulf my mind.
Trying to get me to change mine.
When I can't. But really, can I?
He's all I really think about sometimes.
So not now, Nathaniel.

^ Give it a few years
if it comes full circle then it's true.
But if it's never meant to be
you both will never see this through. ^

Not now, Nathaniel.
