

YOUR DESTINY

Surrender to the promises
you've taken at birth.

When you breathed that first breath
and were in awe of the world.

You were so uninhibited and so unaware
of all that you could be, but now
the time has arrived, I've got you & here.

Time to take in all that you've learned.

Get rid of all the negativity and hurt.
to become all that is your destiny.

Surrender to your highest of heights.

You know what you need to be doing now.

The stage is set,

the curtain call has been counting down.

Louder and louder these past few days

its times like these you cannot evade.

So its time to take this all in...

Time to take in all that you've learned.

Get rid of all the negativity and hurt.

to become all that is your destiny.
